

Important: Always unplug the power cord before installing or replacing bulb and before cleaning or other maintenance.

This light should be installed by a licensed electrician

Assembly & Installation Instructions

1. Shut off power to outlet box.
2. Remove mounting plate from fixture.
3. Attach mounting plate to the wall using wood screws and anchors.
4. Screw together the (2) 12" stem, and screw it to the hole on the bottom of back plate.
5. Attach back plate to mounting plate. Tighten with mounting screws.
6. Install 60w medium base bulbs (not included).
7. Place shade and perforated diffuser onto shade support stem, secure with finial.
8. Place acrylic diffuser on acrylic diffuser support stem from the bottom of splice box.
9. Secure acrylic diffuser with diffuser ring.
10. Plug in power cord. 3-Way Pull Chain Switch is located below the shade.
